PROJECT DETAILS

Tlou Consulting (Pty) Ltd was appointed by the Polokwane Municipality in October 2013 for the planning, design and project management of the Molepo Sports Complex. The terms of reference included:

- Feasibility study and compilation of Municipal Infrastructure Grant business plan,
- Development of detail design report and final tender documentation, and
- Contract management

The scope of construction works comprised:

- Clubhouse to accommodate sport, arts and cultural activities, small community meetings and events.
- Multi-purpose all-weather sports courts (for the disciplines of soccer, netball, basketball, volleyball)
- Ablutions/Change Room
- Storeroom/Equipment Room
- Caretaker/Supervisor Accommodation
- Soccer field and athletics track with artificial surface.
